

# Parents letter 28.06.23

Dear Parents,

at the beginning of the vacations I would like to provide you with important information about the end of the school year and the start of school.

## 1. Online teaching in the 2023/24 school year (Appendix 1)

The teachers' conference decided by a large majority that online teaching will continue.

The basis for the vote were the results of the survey on online teaching.

The entire school community (parents, students, and teachers) gave an overall positive assessment of online instruction. Please find the results of the survey attached (Appendix 1).

## 2. Annual calendar (Appendix 2)

Please find in the annual calendar the Saturdays marked in yellow on which online classes will take place in the coming educational year.

## 3. Start of School

The new 2023/2024 school year begins on Saturday, August 26, 2023.

## 4. Departing Staff

The following teachers said goodbye to students on the last day of school:

Teacher	
Herr Bucior-Krause	Frau Hackenberg
Frau Thau	Frau Hildebrandt
Frau Sulzer-Wehrmeyer	Frau Underberg
Frau Koch	Frau Saloum
Frau Hirschmann	Herr Dr. Sommer

Our school counsellour Ms. Farah Sherif has also left the school.

## 5. Study Trip of classes 11a and 11b

Classes 11a and 11b returned to Cairo a day late from the rewarding study trip to Berlin due to a flight delay caused by a thunderstorm. We are relieved that all students who did not stay in Germany anyways, arrived safely in Cairo. Many thanks to the students for their patience and many thanks to Mrs. Bederke, Mrs. Koch, Mrs. Schwarz and Mr. Karaffa for taking care of the students.

I wish all families a blessed feast and happy summer vacations.

Franz Baur

Schulleiter
