

Job Vacancy

starting the academic year of 2023/2024

School Counselor

We are looking for a passionate and experienced school counselor to develop and implement a counseling program to assist students in their personal, social, and academic development. The school counselor's responsibilities include conducting assessments to evaluate students' abilities, and ensuring students have all the tools to become productive and well-adjusted adults.

To be successful as a school counselor you should be compassionate, patient, and adaptable. A top school counselor should be prepared to assist any of our students with personal or academic issues.

School Counselor Responsibilities

- Provide students with guidance and support in dealing with an array of issues such as personal, academic, parental or social pressures.
- Advice and support for parents and teachers.
- Mediating and improving relationships between students, parents, and teachers.
- Counselling individuals and groups as required.
- Conducting assessments to determine students' strengths, weaknesses, interests, and aptitudes.
- Working with students to develop and improve their skill set.
- Assisting students in the development of career goals.
- Implementing programs to combat bullying.
- Referring students to other support services and mental health professionals as needed.

School Counselor Requirements

- Bachelor/ preferably Master's degree in Psychology or School Counselling.
- Experience as a school counselor is an advantage.
- Fluency in English, Arabic and preferably German.
- Openness to work with intercultural and interreligious groups.
- Good communication and interpersonal skills.
- Working knowledge of counseling models, methods, and resources.
- Ability to identify and respond to students' needs.
- Excellent listening and problem-solving skills.
- Must be patient and compassionate.
- High level of integrity.
